From Confederation Bridge at Borden-Carleton, P.E.I.:

- 1) Follow **Route 1** to Charlottetown (c.56 km). Head for Charlottetown through the first two roundabouts at Cornwall and North River. On the third roundabout, take the exit onto Upton Road;
- 2) Follow Upton Road c. ½ km. to Bypass. Take right-hand exit onto Bypass Highway and follow it until the turn for Souris, on the roundabouts at Highway 1 and the junction for Highway 2.
- 3) Follow **Route 2** to Souris (81 km). (You will go through Morell, then St. Peter's, where the road goes left at the head of the Bay, and then almost immediately right at a cluster of motels and restaurants). After you've crossed the short causeway from Souris West into Souris, Route 2 becomes **Route 16 (Main Street)**; continue straight through town;
- 4) On the eastern outskirts of Souris, find the **Eastern King's Sportsplex** on your left (the Strait and the harbour are on your right);
- 5) Continue to follow Route 16 for **1.8 km** past the Sportsplex, where you'll see a road sign for "**Anselm MacDonald Road**"; **turn right on it** and follow it past the big yellow farmhouse on your left;
- 6) Anselm Macd. Road will become unpaved; at its junction with Detwiller Drive, follow its curve left along the bank by the Strait to the last cottage facing the Strait: the address **263** is clearly visible on the cottage. Parking is on the grass on the right (east) side of the cottage. 2 vehicles should park one behind the other to allow passage for the cottage behind.

From ferry at Wood Islands:

- 1) Follow **Route 315** to Montague (25 km), then take **Route 4** to junction with **Route 2**. Turn right and proceed to Souris. Then follow #5-7 above.

When you arrive, you will find the cottage door open and the keys on the dining table.
